CENTRAL BOARD MINUTES  
MARCH 25, 1947  
(continued:)

Anderson appointed Tannisse Brown to be in charge of the Central Board dinner in May.

Tabaracci announced that Mr. Swearingen will cooperate with us in everyway this Aber Day.

McCollum stated that the country club house is being converted into a nursery for the housing project in such a way that it can be re-converted into a club house for the students at a small cost and therefore it will not be available to use as a store and meat market. He also stated that there would be some expense involved converting the other ASMSU building into a store. If the students want it, they will go ahead and drill for water this summer and this building will be needed as a storeroom for the tools. No action was taken.

The meeting was adjourned.
